

Make your data center even safer.

Upgrade to DSView 3 and get up to 15 mirrored sites for disaster recovery.

When will a natural disaster or unexpected outage hit your data center? Don't wait until it's too late to upgrade to Avocent® DSView® 3 management software. With one easy, affordable upgrade, you can get the built-in **backup/failover capabilities** that are essential for disaster recovery.

UPGRADE TO DSVIEW 3 AND SAVE \$1500!

CLICK HERE TO BE CONTACTED BY
DATA CONNECTIONS, INC.
OR CALL (800) 225-1855

By upgrading to DSView 3 software, you'll get:

- The industry's first hub-and-spoke system for failover and load balancing
- Virtual Media options for easy file transfers and software installs
- Innovative exit macros that provide tighter security for your servers

Download the FREE White Paper "Why Migrate to DSView 3 software from DSView 2?" to learn how DSView 3 can help you better control, manage and protect your data center.
